# Baby Profile Page

## This Week's Growth

- Implemented full text shown by 'Read More' (1)
- Photo and name of Paediatrician (2)
- Icon displays baby's age (3)

The screenshot displays a baby profile page for 'Charlotte'. At the top, it shows 'WEIGHT: 7kg' and 'HEIGHT: 70cm' with icons, and an 'EDIT PROFILE' button. A sidebar on the left contains links: 'Charlotte's overview' (active), 'Growth', 'Stimulation', 'Library', and 'Memories'. The main content area is titled 'This Week's Growth' and includes a '4 months old' badge (annotated with a red arrow and '3'). The text 'Hi Masha,' is followed by a paragraph about postnatal check-ups. Below this, 'Important issues to discuss for mom:' lists four items. A 'Read More' link (annotated with a red arrow and '1') follows. At the bottom, a paediatrician's profile for 'Martin Bailey' is shown (annotated with a red arrow and '2'). The right sidebar features 'Parenting Tips' and a mobile app promotion for 'Nubabi'.

### This Week's Growth

4 months old

Hi Masha,

This is an important week as moms need to visit their Gynae or G.P for their postnatal check-up and their Paediatrician or G.P for the baby's checkup.

Important issues to discuss for mom:

- Postnatal depression
- Physical check
- Discussion of contraceptive and sexual activity
- Fitness issues and pelvic floor exercises

Important issues to discuss f...[Read More](#)

# Baby Profile Page

## Week ahead

- Short list of Week's ahead activities
- Title, Name and short description on Activity preview
- 'Done' and 'Category' marks
- Ability to follow to the full list of Week Ahead Activity by 'See all activities' button

### Charlotte's week ahead

3 → See all activities

#### Gross Motor

Fun in a box

If little Charlotte loves passing objects from one hand to another, throwing balls out of a container or packing balls back into a container, he will love being in a ball pond!

2 →

#### Fine Motor

Undress for success

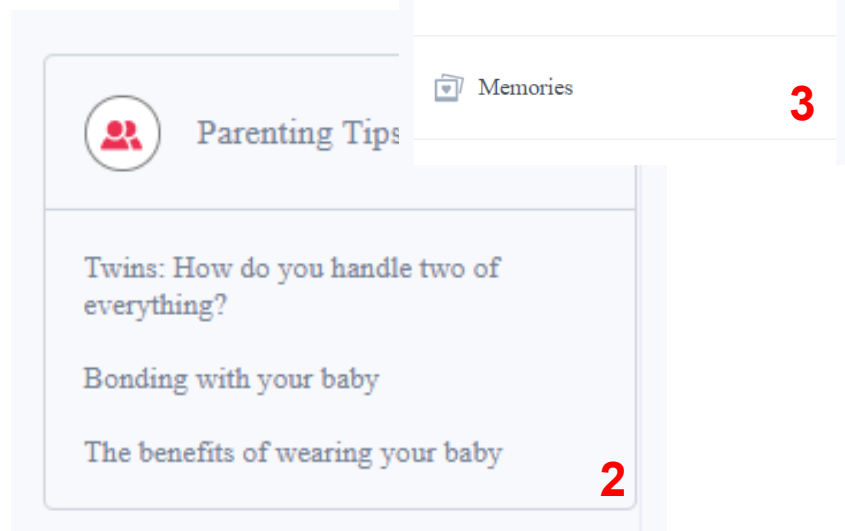

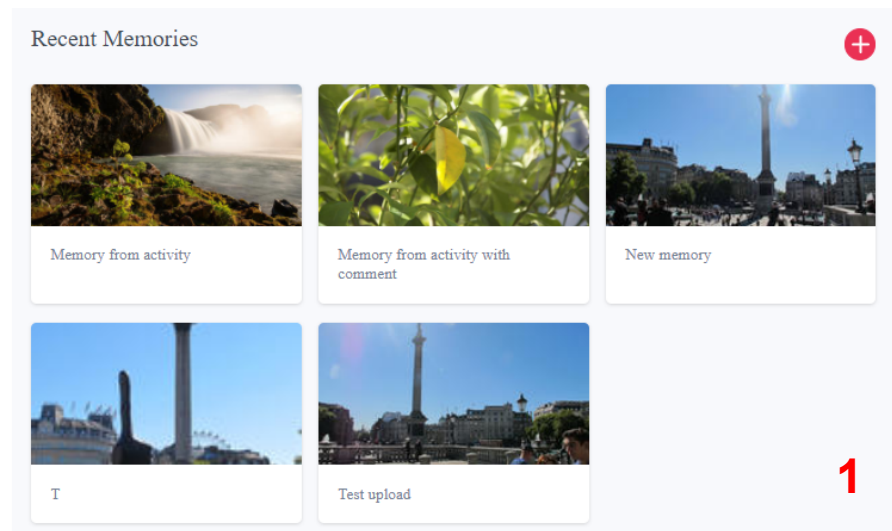

Your little one will love the independence of being able to pull off his own hat, sock or glove! The resistance the sock or glove offers as he tugs on it will give the muscles a...

# Baby Profile Page

## Another UI components:

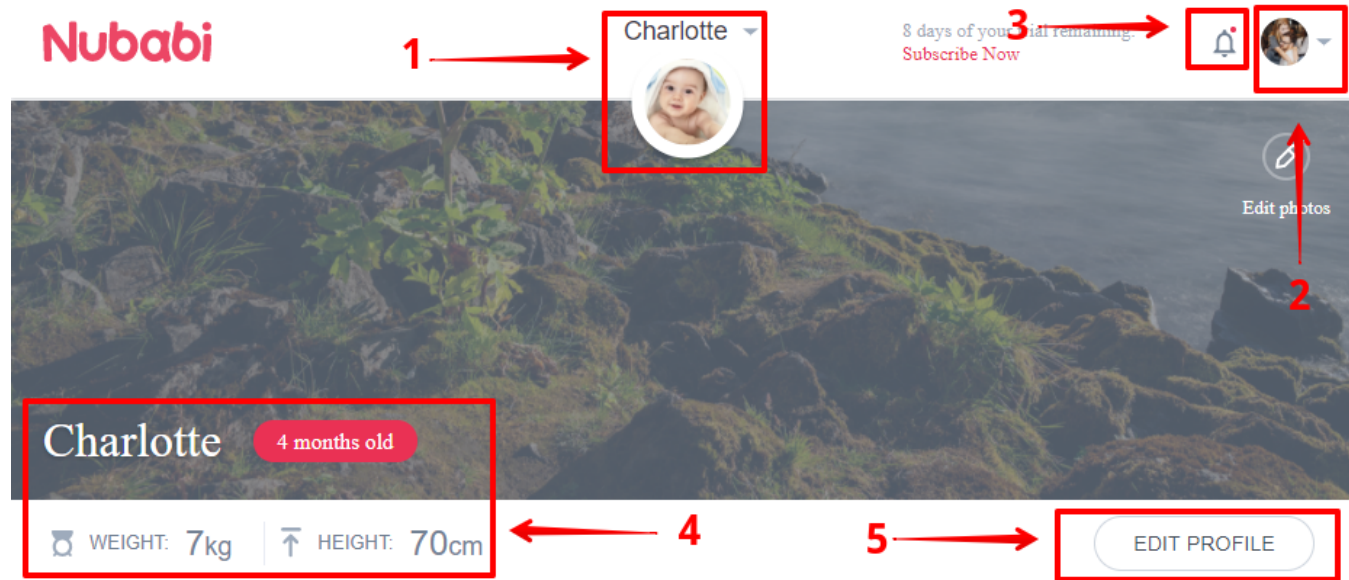

- Recent Memories (1)
- Parenting Tips (Changing by hover) (2)
- Left Sidebar (Changing by hover, changing by click) (3)

# Baby Profile Page

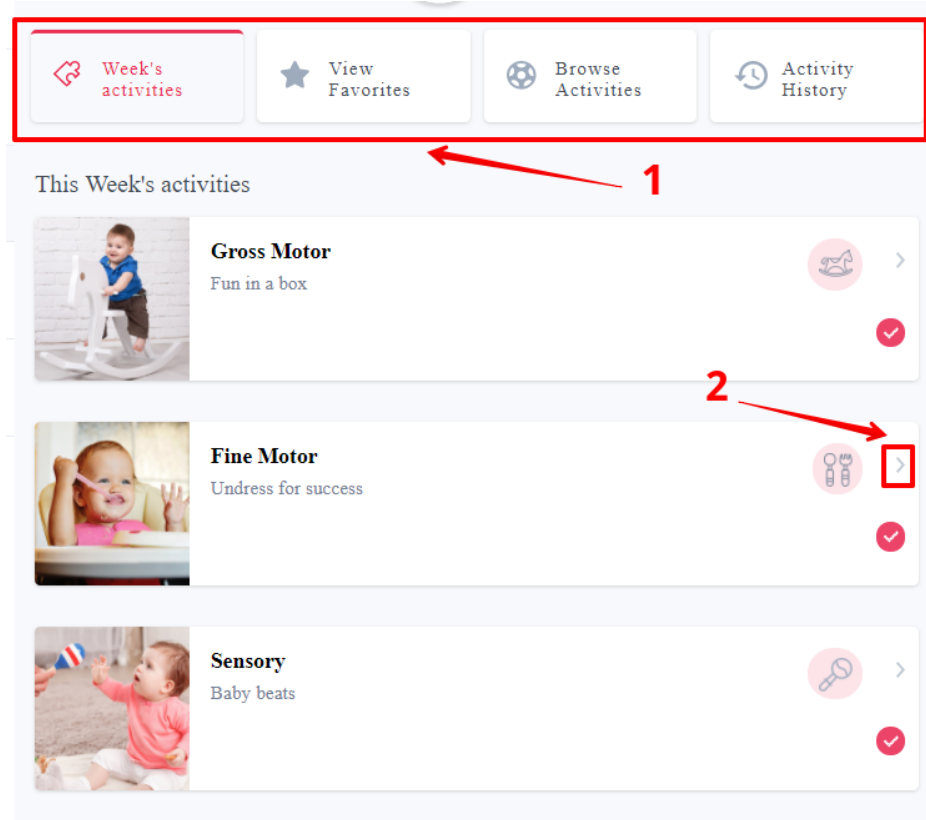

- Header

- Baby's avatar, name, arrow (1)
- User avatar (link to drop-down menu) (2)
- UI for Notification by the bell icon (3)
- Baby Info: Name, age, weight, height (4)
- Edit Profile button, which follows to 'Edit Baby' page (5)

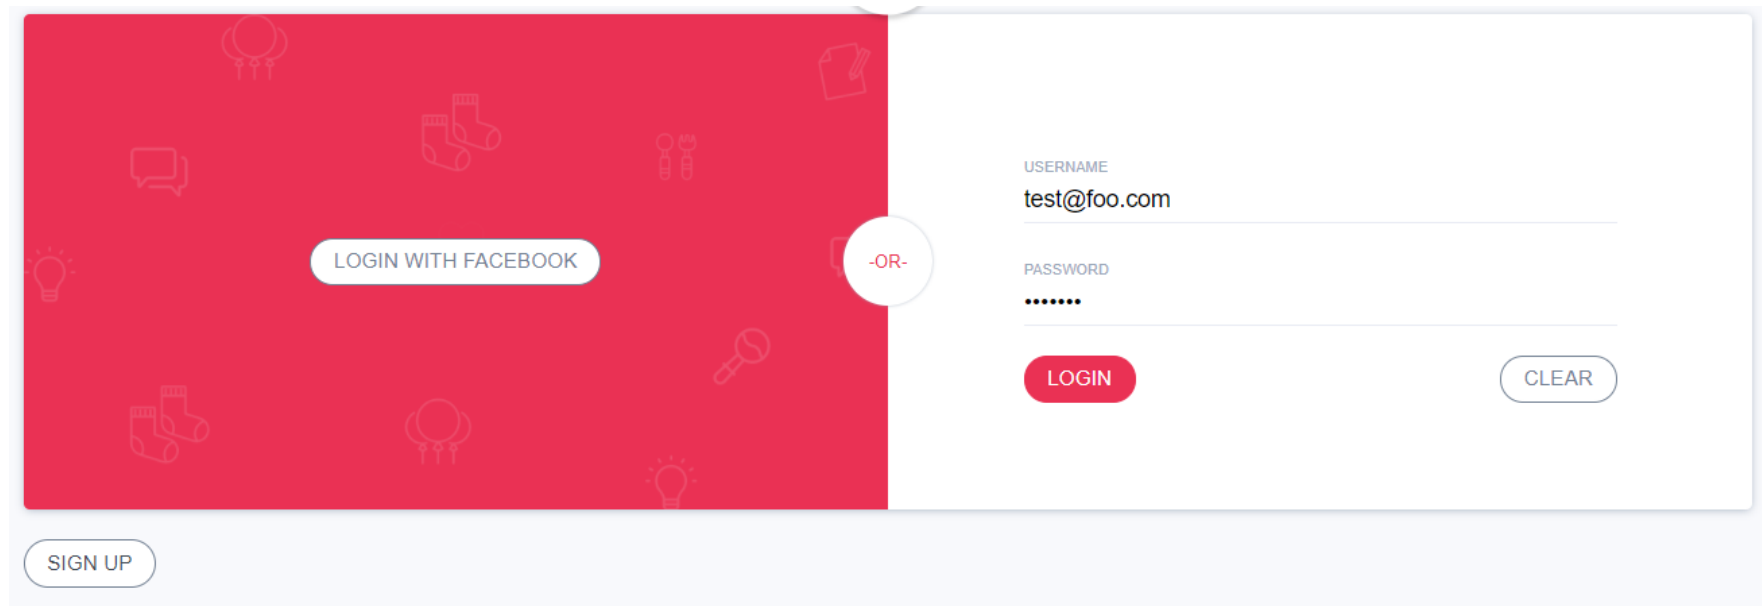

# Stimulation page

- Implemented solution for display top menu (category buttons) (1)
- Made full UI + getting data from backend for list of Activities for each category
  - Week's Activities
  - View Favorites
  - Browse Activities
  - Activity History
- Following to 'Single Activity' page after clicking the row (2)

# Login

Implemented Login form

The image shows a login form with a split design. The left side has a red background with faint white icons (lightbulb, speech bubble, socks, magnifying glass, and a person with a lightbulb). A white button labeled "LOGIN WITH FACEBOOK" is centered on this side. A white circle with "-OR-" is positioned between the red and white sections. The right side has a white background with input fields for "USERNAME" (containing "test@foo.com") and "PASSWORD" (masked with dots). Below these are two buttons: a red "LOGIN" button and a white "CLEAR" button. At the bottom left, there is a white "SIGN UP" button.
